

Yo.

I'm Yoan, but you can call me Yo. I'm a french multidisciplinary designer currently in my 5th and last year of study. I'm working in interface design, experience design, service design and identity but I have a calling to work on a good combination between communication and design.

Education

L'École de Design Nantes Atlantique
Interaction design Master's degree.
2012- Present

Awards and contests

Microsoft France, Paris
First prize, SurfaceBook Challenge.
2016

Banque Populaire, Paris
Digital design consultant to support teams in a hackathon.
2015

Personnal interests

Globe trotting
Give me 10 euros, two days off and join me at the otherside of the world.

Photography & video
I like to create my own visual contents. It's the certitude to have what I want, and it's also a passion.

Sport
I can't stop moving, climbing, cycling, runing, I'm not going anywhere without my bike. I am also a soccer league referee.

French cinema
I like the way that the french cinema give emotion through performance of talented actors without any artifice.

Design employment
